Subject: RE: Vacation of a portion of Paularino

We are continuing discussions with staff from John Wayne Airport on the vacation of Paularino Ave. They do not like a few of the provision we are holding to in the draft agreement. It would be best to delay going to the Planning Commission on May 14 for the compliance finding that the vacation is consistent with the General Plan. Sorry for this change (and I know you rushed this to move this issue forward) but please change the date of this to the May 29, 2007 Planning Commission meeting. Please let me know if you have any concerns. Thanks.
